

Abilene Powder Coating's Limited Warranty

APC's warranty covers all coated parts for 12 months from the invoice date. APC warrants against cracking, peeling, or excessive fading due to normal climatic exposure. Damage to the finish caused by mechanical abuse such as scratches, rough handling, installation, or vandalism is not covered by this warranty. Design and/or welding flaws such as pin holes, overlapping steel placements, or non-sealed welds that allow moisture to build up causing rust are not covered by this warranty.

This warranty shall apply to the repair or replacement of coatings (at APC's discretion) of the material involved and shall not include reimbursement of consequential expenses such as installation, removal, equipment, or transportation costs.

DISCLAIMER

*Handrails and fencing that are not welded solid allow moisture to build up in places that the powder coat cannot penetrate. APC is not responsible for these areas that will rust after installation.

*Weldments and frames that have overlapping metals trap moisture and will rust if the overlapping metals are not seal welded. APC is not responsible for the rust that will build up and spread from those areas.

*Sharp edges must be rounded to be able to hold an appropriate mil thickness of powder coat. Sharp edges that are not rounded will rust. APC is not responsible for rust that occurs because of sharp edges.

The following acts and/or omissions will void the warranty

*Physical damage due to transport or installation

*Contact with salt water

*Contact with Chlorine, fertilizer pesticides, or industrial chemical agents

*Contact with sprinkler systems, tree sap, entangled vegetation (maintenance issues)

*Alteration of coating by owner or agent

*Physical damage due to acts of God

Abilene Powder coating upon notice and determination of valid claim will re-coat parts at their own expense. Abilene Powder Coating is not liable for the cost of take down, re-installation or transport of effected parts. Abilene Powder Coating reserves the right to inspect and use its chosen agents to determine cause for failure of coating.

The above constitutes the complete warranty of Abilene Powder Coating. No other agreement written or implied is valid.
